

Letter of Reference

Mrs. Linde Richter, born on April 14th, 1978 was employed as a design-trainee from October 17th, 2005 until January 13th, 2006.

During this time Mrs. Richter primarily worked for clients from the food and cosmetic industry, including companies/brands as Bongrain (Le Tartare, Géramont, Henri), Edelweiß (Bresso), Johnson & Johnson (Penaten), Beiersdorf (Florena), Ritter Sport, SCA Hygiene Products (Tena), dm Drogeriemarkt (paradies)

The following work areas were part of her tasks:

- participation in briefings and assistance in packaging development
- creation of packaging layouts based on briefing requirements
- creation of concept mood-boards, including search for motives
- scanning and computer based picture adaptations
- construction of dummies

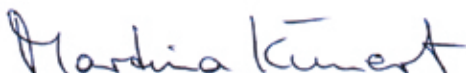

During her time with our company, she was able to participate in a number of pitches and provided very creative input.

Mrs. Richter was able to quickly integrate into the team, being popular and appreciated by all employees. She handled her given tasks independently, was reliable and showed great commitment.

We would like to thank her for the valuable assistance and wish her all the best and much success for her professional pursuits.
